Adobe Certified 2015 – 2018

Completed professional training in graphic design, gaining hands-on experience with Adobe Photoshop to create digital visuals, layouts, and creative designs

Graphic Design Masterclass 2015 – 2018

Mastered Adobe Photoshop, Illustrator, InDesign, and XD through hands-on training, developing the ability to craft compelling visuals, dynamic layouts, and innovative digital designs for both web and print.

JOB EXPERIENCE

Graphic Designer Filmaid Kenya 2025 – 2026

Design visually compelling graphics and branding materials for campaigns, social media, and organizational projects. Collaborate with teams to deliver high-quality digital content while ensuring creative and impactful visual communication.

Photographer | Videographer | Editor Filmaid Kenya 2025 – 2026

In this role, I capture and edit photos and videos for events, campaigns, and promotional content. I produce multimedia content that tells engaging stories and highlights organizational activities while ensuring all visuals meet professional standards and project requirements. do the same on this

ICT Trainer Code with Us Hub 2025 – 2026

At Code with Us Hub, I provide ICT and digital skills training to youth and women, covering graphic design, web design, and media production. I design and maintain websites and digital content for the Hub's initiatives and mentor students to build professional portfolios and practical digital skills for freelancing opportunities.
