ABOUT ME

Dedicated youth leader, digital inclusion advocate, and multimedia professional with extensive experience empowering refugees and host communities through technology, education, advocacy, and community development initiatives. Founder and Executive Director of Code with Us Hub and Multimedia Producer at FilmAid Kenya. Experienced in youth leadership, community engagement, digital skills development, media production, entrepreneurship, and refugee-led initiatives. Passionate about advancing opportunities, leadership, and economic inclusion for displaced youth across Africa.

EDUCATION

High-school

2015 – 2018

Served as School Captain and Games & Sports Captain, contributing to student leadership, representation, and sports coordination. Actively participated in drama activities, developing strong skills in public speaking, creativity, teamwork, and leadership.

Alliance Center of Technology

2018 – 2020

Gained knowledge in computer applications, digital literacy, web design, web development, and WordPress. Learned HTML, CSS, JavaScript fundamentals, website creation, internet technologies, digital communication, and WordPress website management.

Amala- Leadership and Entrepreneurship

2022-2023

Acquired skills in leadership development, entrepreneurship, problem-solving, project planning, teamwork, communication, and community engagement. Developed practical knowledge in innovation and business management principles.

Konexio Africa- Freelancing

2023-2024

Completed professional freelancing training with practical skills in data entry, data annotation, data scraping, translation, and transcription, delivering accurate and high-quality digital services.

FilmAid Kenya- Multimedia Production

2024-2025

Developed skills in photography, videography, video editing, storytelling, multimedia production, and content creation. Gained experience in camera operation, audio recording, and digital media production.

Udemy- Graphic Design

2025-2026

Completed professional training in graphic design, developing practical skills in branding, visual communication, typography, layout design, color theory, and creative problem-solving to produce impactful designs for both print and digital media.

PROFESSIONAL EXPERIENCE

Community Health Promoter

International Rescue Committee (IRC) | 2019 – 2023

Supported Maternal, Infant and Young Child Nutrition (MIYCN) programs. Conducted community outreach, awareness campaigns, and health education sessions. Collaborated with community leaders and stakeholders to improve health and nutrition outcomes.

Multimedia Producer & Magazine Designer

FilmAid Kenya | Present

Creative visual communicator specializing in multimedia production, magazine design, branding, and graphic design, delivering engaging, high-quality content for print and digital platforms.

Founder & Executive Director

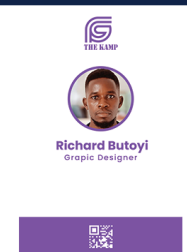

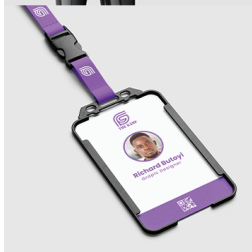

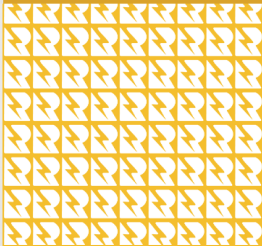

Code with Us Hub | 2023 – Present

Lead a refugee-led organization focused on digital inclusion, youth empowerment, and gender equality. Design and oversee training programs in digital literacy, web design, web development, graphic design, media production, and freelancing. Coordinate partnerships, community outreach activities, and mentorship programs.
